14. [] ADMINISTRATIVE Guy McConnell, Senate Appropriations Subcommittee on Defense staff, called and asked for a brief paper they can use to oppose Senator James Abourezk's (D., S. Dak.) amendment to the Defense Appropriation bill. He needs it this afternoon. I told him we would get him such a paper and provided him with it late in the day.

15. [] ADMINISTRATIVE In the absence of Ralph Preston, House Appropriations Committee staff, talked to Chuck Snodgrass and asked if he could check Chairman George Mahon's (D., Texas) schedule and see if the Chairman could see Mr. Colby at noon or at 5:00 p.m. this evening instead of 4:30. Snodgrass said he would check and let me know. We later changed this to 12:00.

Preston called later and said the pressure was off for the meeting between the Chairman and Mr. Colby because the Senate had not finished their action on the Defense Appropriation bill. He said the conference would not be until December. We will set up the meeting for a later date.

16. [] ADMINISTRATIVE Carolyn Groves, in the office of Representative George O'Brien (R., Ill.), called and asked if General Walters would mind changing the time of the radio taping to 12:30 p.m. instead of 1:00 p.m. After checking with [] in General Walters' office, I called Ms. Groves back and said [] and the General would be there at 12:30.

17. [] ADMINISTRATIVE Gary Jarmin, American Conservative Union, called and said he had a friend, [] who would be in town from 19 November for about a month. Jarmin said this man is very interesting and has some ideas which Jarmin thought we would want to hear. He said he has met with many members of Congress, representatives from State Department, AID, and the National Security Council on past visits to the city. He has also met with high level government officials in many European countries. [] and would probably be shot if he ever went back. I told him I would pass the message to Mr. Gary and we would be back in touch with him.

18. [] ADMINISTRATIVE Guy McConnell, Senate Appropriations Subcommittee on Defense staff, called and said he had received word that Senator James Abourezk (D., S. Dak.) would not be calling up his amendment to the Defense Appropriation bill.
